**Profile:** His name is Trench. You will come to know him as the Angel of Death. He is male. He is 25 years of age. He is not a people person. **Vengeance is coming** - December 23, 2005 It will be a quiet and peaceful morning. A light drizzle will be starting up. The clouds will be grey, so grey. Just the way I like it. Disemboweled bodies litter the streets. Some have been decapitated, others hung off bridges and overpasses. Yet, others still lie burning. Flames slowly eating away at their putrid flesh. Glorious. HA HA HA HA HA HA HA. They have paid this day, they truly have paid. HA HA HA HA HA HA

**Blood** - January 17, 2006

Let the blood flow

Let the streets run red with blood

Blood of mine enemies

It's almost as though there was some sort of bitch convention somewhere, and 85% of the women went and all agreed to be bitches forever. . . What's with all the assholes? It's like they invited all the men to a huge arena . . . [and] 85% of the men showed up. And they must have all made a pact to be assholes, and fucktards for the rest of their lives.
