Security and Emergency Management Best Practices: Campus Safety DOY Winners Panel

Sponsored by

A DIVISION OF THE COOK & BOARDMAN GROUP, LLC

CampusSafetyConference.com

#CSCatEDspaces

Our panelists will discuss what they have done to create an award winning program from security technology considerations to ensuring a consistent training message for all employees and everything in between.

Attendees will:

- Develop budget proposals to grow security and emergency management.
- Discuss security technologies and best practices to consider when making improvements.
- Understand how to obtain consistent training throughout an organization.
