On the Fence About Attending one of the Campus Safety Conferences?

Don't be! We wrapped up two great events last year and attendees were excited to get together to learn and collaborate on the safety and security of our students, staff and faculty!

Here's what a few of them had to say:

“ The ability to network with campus safety personal from across the nation is amazing. Shows that we all are not alone in certain challenges. It was also great to be able to get feedback.

Edward W Smith, Security Manager, Texas A&M University Police ”

“ Great opportunity to collaborate with my peers. This will be my preferred conference for my first line responders.

Mark Glenn, Police Chief, Washington Univ. Police Department ”

“ This was one of the most comprehensive school safety conference I have attended. I look forward to attending future conferences.

Kayla Green, Project Coordinator, School Safety State Board ED-Idaho ”

“ Everyone needs to attend Campus Safety Conference. It is full of information that you can take back to your school. We have enjoyed the two times we have attended and learned so much. CSC does a fantastic job!

Kelly Barrett, Administrative Assistant, Peetz Plateau School ”
