

REGISTRATION IS OPEN!

CSC EAST: June 20-22, 2022 • North Bethesda, MD

CSC TEXAS: July 18-20, 2022 • Fort Worth, TX

Registration is Now Open for Campus Safety Conference 2022!

These 2½-day, intensive conferences bring together security, public safety, emergency management, administration, facilities, business, and IT professionals responsible for protecting K-12 districts and higher education campuses.

CSC's mission is to create an opportunity for all stakeholders to receive time-critical education and training while building peer-to-peer relationships that facilitate year-round engagement, validation, and problem-solving to improve safety and security during these very fluid and extremely challenging times.

Why Attend?!

Learn from fellow senior-level school and university administrators during two and half days of information-packed learning sessions.

Meet other university police, communications, emergency management, student life, and other senior-level administrators from schools and universities around the nation.

Find out what new technologies and programs are being implemented at other K-12, college and university campuses during interactive roundtable discussions.

Great destinations: Fort Worth, TX, Bethesda, MD & Los Angeles, CA

Premier event dedicated to the safety and security of our K-12 districts and university and college campuses and hosted by a 30-year trusted industry resource *Campus Safety* magazine.

Raffles, prizes and book signings! You could even win a free conference pass and hotel accommodations to attend CSC in 2023.
