## OPENING KEYNOTE

Dr. C.J. Huff  
Retired Superintendent  
Joplin School District

### If I Had a Dime...

"If I had a dime for every time I said, 'You gotta take care of yourself before you can take care of others,' I would have been able to rebuild our entire community after our disaster."

In this session, Dr. C.J. Huff, retired superintendent from Joplin, Missouri, will share his very personal recovery and leadership journey following the 2011 EF5 tornado that destroyed much of his school system, and implications for leaders who are currently leading their school communities through pandemic recovery. Attendees will leave this session with practical strategies and an understanding of the "3 Pillars" that serve as the leadership foundation for career sustaining behaviors that can make a difference in the mental health and wellness of not only yourself but those you lead.

## HIGHLIGHTED TOPICS:

- Active assailant
- Clery compliance
- Crisis communications
- Cybersecurity
- Emergency communications
- Incident response planning
- Scenario training
- Staffing and resource shortages
- Student and employee mental health
- Student-parent reunification
- Suicide prevention
- Threat assessments
- Weather related emergencies

And more!

Found invaluable the real time, factual responses to critical incidents.

— John Cash, Director of Security, Trinity Baptist Church
