# SPONSOR CAMPUS SAFETY ONLINE SUMMIT!

Campus Safety Online Summit (CSOS) is a 2-day virtual event, hosted by the organizers of Campus Safety Conference and supported by Campus Safety magazine. CSOS brings key stakeholders together to discuss the latest challenges impacting schools and campuses. It acts as a supplement to the Campus Safety Conference summer series and covers topics including active shooter response, threat assessments, reunification, crisis communication, leading in times of change, safety & security technology and more. The speakers are key stakeholders in the space who are passionate about sharing their insight and knowledge to help keep students, faculty and staff safe. For 2023, CSOS will have a "101" track and an "advanced" track. This change will allow for a broad variety of content and gives attendees from all levels an accessible space to learn and network."

Who attends CSOS?

WHO WILL YOU SEE?

- Chief/Assistant Chief/Deputy Chief/Lieutenant/Sergeant
- Director/Assistant Director – Emergency and Risk
- Director/Assistant Director – Facilities and Operations
- Director/Assistant Director – IT/Technology
- Director/Assistant Director – Safety and Security

- Plus more!

CSOS hosts 16 virtual sessions over two days! Attendees will have access to the online portal for on-demand viewing for six months post event conclusion. In addition to great content and insightful speakers, attendees have the opportunity to visit our virtual sponsor showcase. Each sponsoring company will have a dedicated virtual profile with space for company description, logos, downloadable content, pictures, videos, raffle drawings and more. There is dedicated time during the summit to view the sponsor profiles and the profiles will stay live with the summit portal for six months post event.
